Call for Participants

National Child Autism Waitlist Initiative Research Study

What are we trying to do?

- Create clear and consistent definitions for measuring how long kids wait for an autism evaluation.

Who can participate?

- A parent or caregiver of an Autistic child (whereby their child received an autism diagnosis in Canada).
- The parent or caregiver must be comfortable in English.

Why?

Consistent definitions

Consistent waitlist information

Clear and unified advocacy

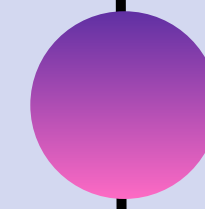

**Positive changes to autism
diagnostic services**

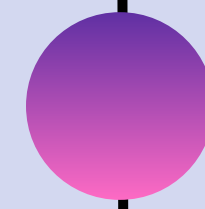

What is involved?

Consent Form
30-35 min video call

2 Survey Forms
**30-45 min video call
(or on your own)**

Group Meeting
2-2.5 hr video call

Feedback Survey
**5-10 min video call
(or on your own)**

**Participants will be
compensated for their time.**
